

Blind Taste Test: Activity Leader Results Sheet

Please write your school name and postcode, and follow the Blind Taste Test instructions to complete Sections 1 and 2 below.

School Name: _____

School Post Code: _____ **Contact Initials:** _____

Approx. Age Range of Participants*: _____

* approximate age information will be useful to establish if trends vary between age groups. Write general age range information, e.g.: 'average age 7.8 years' or 'Year 4: average age 8 - 9 year olds' or 'school staff: age range mid 20s to 50s'.

SECTION 1:

Relating to Steps 6 and 7 of the Blind Taste Test instructions, record the type of water which each jug contains. Ensure the students do not see this section until after the taste test is complete. Circle below to select the water type each jug contains:

JUG 1 contains: tap water / filtered tap water / bottled mineral water

JUG 2 contains: tap water / filtered tap water / bottled mineral water

JUG 3 contains: tap water / filtered tap water / bottled mineral water

SECTION 2:

Relating to Step 13 of the Blind Taste Test instructions, count how many students selected each of the ratings options for each jug sample.

Write the total number of student scores on lines below.

Sample from JUG 1 😊😊 😊 😐 😞 😞😞

total scores: _____ _____ _____ _____ _____

Sample from JUG 2 😊😊 😊 😐 😞 😞😞

total scores: _____ _____ _____ _____ _____

Sample from JUG 3 😊😊 😊 😐 😞 😞😞

total scores: _____ _____ _____ _____ _____

When complete, please scan this sheet and email it to **water@hansonbox.org** before **July 31st, 2021.**
